Kathari Bharathi

Technical Support Analyst | ServiceNow ITSM | Service Desk (L1/L2)
Hyderabad, Telangana, India | bharathi007mythili@gmail.com | linkedin.com/in/kathari-bharathi-5909a0158

PROFESSIONAL SUMMARY

Technical Support Analyst with 5+ years of L1/L2 IT support across global, SLA-driven service desks, helping users (primarily in the U.S.) by phone, email, and remote sessions. Trained in ServiceNow ITSM (Incident, Request, Service Catalog, Import Sets, Update Sets), with working knowledge of Flow Designer, Business Rules, and Client Scripts, plus hands-on HTML and Python. Committed to continuous learning, problem-solving, and delivering reliable ICT support to end users; thrives in fast-paced startup environments.

TECHNICAL SKILLS

Desktop and End-User Support: Windows 10/11 Troubleshooting, Hardware, Software and Printer Support, Remote Support (RDP, Bomgar, TeamViewer, Zoom, GoToMeeting, WebEx)
Identity and Endpoint Management: Active Directory, Group Policy (GPO), Microsoft Intune, BitLocker, Basic Azure/Entra ID
Microsoft 365: Outlook, Teams, Email Connectivity
Networking: VPN Configuration and Connectivity, DHCP, DNS, Basic Network Troubleshooting
ITSM and ServiceNow: ServiceNow ITSM, Incident Management, Request Management, Service Catalog, Import Sets, Update Sets, Flow Designer, Business Rules, Client Scripts, SLA/TAT Management, Escalation
Other: Python, HTML, CRM/Ticketing Tools, Knowledge Documentation, Camtasia, Mentoring, Customer Communication

PROFESSIONAL EXPERIENCE

Technical Support Specialist March 2026 – Present
Teleperformance (TP), Hyderabad, India

- Deliver technical support to end users, diagnosing and resolving software, access, and connectivity issues within SLA targets.
- Document incidents and resolutions in ticketing tools and escalate unresolved cases to the right teams.

Information Technology Associate January 2025 – January 2026
GUS Education India, India

- Provided Level 1 service desk support for online platforms and internal systems, resolving login, access, application navigation, and document upload issues.
- Supported users via phone, email, and virtual meetings while consistently meeting SLA timelines.
- Logged and tracked incidents in CRM/ticketing tools and coordinated with IT teams to escalate unresolved issues.

Full Stack Intern May 2024 – February 2025
ELearn InfoTech, Hitech City, Hyderabad

- Built and maintained web pages and applications, applying HTML and Python in a full-stack environment.

IT Support Specialist (L1/L2) September 2018 – October 2023
Examity India, Hyderabad, India

- Delivered L1/L2 international voice and remote support for students (primarily U.S.) taking online proctored exams, resolving software, browser, audio/video, and network issues in real time.
- Troubleshot GoToMeeting, WebEx, and Zoom, used TeamViewer for remote assistance, and handled laptop, desktop, server, remote access, and email connectivity problems.
- Raised and managed CRM tickets (passwords, connectivity) and closed requests within SLA/TAT; escalated major incidents to Team Leads and SMEs.
- Mentored new hires, supported escalations, assisted with application upgrades, and used Camtasia to format recorded sessions for review.

KEY ACHIEVEMENTS

- Sustained 5+ years of SLA-compliant global support for students across multiple countries.
- Trusted to mentor new hires and handle escalations beyond a core support role.
- Grew from L1 support into ServiceNow ITSM through hands-on training in Incident, Request, Service Catalog, Import Sets, and Update Sets.
